CREW	Carolina S.
CREW	Drew T.
CREW	Margaret V.
CREW	Catherine W.

Specific crew assignments will be made as we go through the build process. Please note that every crew member is expected to put in a MINIMUM of 20 hours of build work. We will not need every crew member backstage on show nights, some will be working in the front of house, and some will have the night off. That will be determined at a later date and as we become better aware of how many people are required backstage.

Thank you!
